Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **Llantysilio Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The Council has reported a significant increase in the value of fixed assets but has provided no explanation of this. My audit did not identify purchases of assets that would equal the increase.
- Payments of the clerk's salary are not in accordance with the contract of employment. The clerk appears to be paid for more hours than contracted but at a lower hourly rate.
- The Council did not provide sufficient supporting documentation to support income received as stated in line 3.

Annual Governance Statement

I am unable to conclude whether or not the Annual Governance Statement is consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 2: The Council did not provide a schedule of internal controls related to payments as requested. My audit testing was unable to confirm whether or not the Council approves payments.
- Assertion 3: The Council is required to publish a schedule of members allowances each year and to submit a copy of the schedule to the Independent

Remuneration Panel for Wales. The Council did not provide evidence that it published a schedule for 2022-23 or that it submitted that schedule to the IRPW.

- Assertion 3: The Local Government Finance Act 1992 requires the Council to calculate its budget requirement before setting its precept as the amount required to balance this budget requirement. The calculation must include consideration of the level and use of reserves held by the Council.
 - The precept demand issued to the County Council did not match the figure calculated in the budget requirements.
 - The budget did not take into account the reserves held by the Council
 - The Council resolved to increase the precept by a percentage increase rather than by reference to the budget requirement

Therefore, the Council failed to comply with the requirements of the 1992 Act.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Publication of information

The Democracy and Boundary Commission Cymru etc. Act 2013 (the 2013 Act) requires the Council to publish on its website a range of information. While the Council publishes most of the information required it does not publish all of the required information. The missing items include:

- Register of members interests
- Auditor General's report and opinion on certified annual returns

There are no further matters I wish to draw to the Council's attention.
